An additional Sunday school teacher is needed for the nursery. Clyde and Donna have been providing a light pick-up type breakfast each Sunday at 8:45 am. ### **Church Web-Site**

The church web-site has been in development and is now up and running. [www.ShilohUMC.church](http://www.ShilohUMC.church). We need information to be added to the calendar of events and any news from ministry areas. Also, a web-master is needed once the site is completed. The new site will be much easier to up-date and change; WordPress will be utilized and training is available. If you have pictures that may be used on the site, please forward to Pastor Debbie or Mary Baker. Just a reminder that due to social media sharing concerns and protection of our children, no picture will be posted on the web-site without permission. Please contact Pastor Debbie or Mary if you are interested in taking charge of the web-site.

### **Camera Help Needed!**

To better record and broadcast our services, cameras and an I pad have been purchased through a district grant. Operators are needed to monitor the cameras utilizing the I-pad each Sunday during worship service. So far, there are three members that have agreed to the task and will rotate monitoring the cameras but there is a need for at least one more. If you are willing to be trained to do this and fill in when needed, please contact Pastor Debbie or Mary Baker.

## **Church Safety**

In an effort to keep our church members safe, there are a couple of items that need our attention and assistance. Please considering wearing your mask during worship service while we experience this next wave of the Corona Virus. The double red doors entry to the church will be locked at 10:00 am when worship service begins. Any late comers will need to enter through the double doors in the new building. A member of the safety team has been stationed in the entrance of the new building each Sunday to ensure that visitors and late comers may enter the building. If you are able to do this on Sunday (sit in the new building entrance) and you are capable of handling any unexpected emergency, please contact Safety Team members Jerry Griffin or Tony Whigham.

## **Directory Up-dates**

Please forward any changes to the church directory to Miriam McCoy. If your phone number, address, or e-mail changes please let her know. Please check the current directory to ensure the information is correct.

Each team, committee, etc. is asked to meet prior to Council in order to report activities and plans for 2022. Thank you for your generous support of Mission and Outreach projects throughout the year.

### **Missions Thank You**

There are so many to thank for the mission and outreach donations in 2021 and especially at Christmas. Ann Milligan deserves a special thank you for her organization and efforts in making these mission projects happen. She and Scott along with Sherri and John delivered Christmas gifts and food to a family that probably would have had no Christmas. Children across the country and world received shoe boxes with toys and necessary items. Lexington County residents in need, received large boxes of food and prior to Christmas Gilbert area children received coats to keep them warm. Thank you Ann (and Scott) for your kind and generous heart as well as your leadership in this area.

Thank you to all of our Shiloh family and extended family for the contributions.
